ach.

And pork must be salted with at least one statute

or St. Ube's sail; and the boef must have five ounces of fine pulvercized saltpeter to each barrel, exclinity of a pickle, to be made from
fresh water as strong as sait will make it, and must be perfectly
bright and clear.

Each barrel must contain full 200 pounds net weight of beef or pork,
and no excess of weight in either article will be paid for.

The barrels must be entirely new, and be made of the best seaasonot heart of white oak staves and headings; the staves to be not
less than five-eighths of an inch thick, and the headings not less than
three-fourths of an inch thick; they must be three-fourths hooped
over, including the iron hoops, with the best white-oak or hickory
hoops, and each barrel must have on it four iron hoops, viz; one of
one and a half inch in width on each blige, and one of one and an
eighth inch in width on each blige, and one of one and an
eighth inch in width on each blige, and one of one and an
eighth inch in width on each blige, and one of one and an
eighth inch in width on each blige, and one of one and an
eighth inch in width on each bige, and one of one and an
eighth inch in width on each blige, and one of one and an
eighth inch in width on each blige, and one of one and an
eighth inch in width on each blige, and one of one and an
eighth inch in width on each blige, and one of one and an
eighth inch in width on each blige, and one of one and an
eighth inch in width on each blige, and one of one and an
eighth inch in width on each blige, and one of one and an
eighth inch width one lead to be a blige, and one of one and an
eighth inch width one lead to be seen and the acceptance of the aneighth inch width one lead to be seen and inch and an each to be of one-sixteenth of
an inch thick; the blight in the set of an each one of the and
the year when packed, and weight; and shall also be branded on the
bung attack with the letter B, or P, as the case may be.

The beef and pork will, unless otherwise directed by the chief et
this bureaut, be inspected by the incepting of the pro

outract.
The parts of beef to be excluded will be particularly designated in the agraving to be attached to the contract. Persons interested can obtain som on application at this office.

Bidders whose proposals are accepted (and none others) will be orthwith notified, and as early as practicable a contract will be transitied to them for execution, which contract must be returned to the urean within ten days, exclusive of the time required for the regular canemission of the mail.

the meaning of the act of 1846, and his bid will be made and accepted in conformity with this understanding.

Every offer made must be accompanied (as directed in the 6th section of the act of Congress making appropriations for the naval service for 1846—47, approved 10th of August, 1846) by a written guarantee, signed by one or more responsible persons, to the effect that he or they undertake that the bidder or bidders will, if his or their bid be accepted, enter into an obligation within ten days, with good and sufficient sureties, to furnish the article proposed.

This guarantee must be accompanied by the certificate of the United States district judge, United States district attorney, or navy agent, that the guaranters are able to make good their guarantee.

No proposal will be considered unless accompanied by such guarantee.

No proposal will be considered unless accompanied by such guarantee.

The bidder's name and residence, and the name of each member of the firin, where a company offers, with the Christian names written full, must be distinctly stated.

Under the joint resolution of Congress, approved 27th March, 1854, "all bids for supplies of provisions, clothing, and small stores for the use of the navy, may be rejected at the option of the department, if made by one not known as a manufacturer of, or regular dealer in, the article proposed to be furnished, which fact, or the reverse, must be distinctly stated in the bids offered."

Post Office Department,

May 30, 1857.

SEALED PROPOSALS will be received until 3, p.

m., of the 6th day of July next for farmishing all the stamped envelopes this department may require for a period of four years, viz:

No. 1, or note size, 25¢ by 4½ inches, of white paper.

No. 2, or letter size, 3½ by 5½ inches, of buff or white paper, or in

such proportions of buff and white as may be ordered.

No. 3, or official size, 3½ by 5½ inches, buff or white, or in such

proportions of either as may be required.

Proposals are also invited for furnishing straw board boxes for

packing parcels of 10 to 25,000.

The envelopes to be made in the best manner, of paper of approved

quality, manufactured specially for the purpose, and such water-marks

as the Postmaster Genéral may direct. They must be gummed for

sealing, at least 2½ inches on the point, banded in parcels of 25,

packed without clarge for packing, and furnished complice and ready

for use, in such quantities as may be required to fill the orders of post
masters.

An agent of the department will furnish the address for sech parcel.

ent of the department will furnish the address for each parcel,

An agent of the department will furnish the address for each parcet, which is to be pasted on the box by the manufacturer without charge. The dies for embessing the postage stamps on the envelopes are to be executed in the best style, and they are to be provided, renewed, and kept in order at the expense of the contractor. Bidders are requested to furnish samples of paper, with their bids, of the quality they intend to use in the manufacture of the envelopes they propose to furnish. Boud and security will be required for the faithful performance of the contract, and payments under it will be made quarterly. Price, quality of samples, and the sufficiency of the bidder will be considered together in awarding the contract; and the Postmaster General reserves to himself the right to annul it whenever he shall discover that the same, or any part of it, is offered for sale in the market for the purpose of speculation; and he will in ne case sanction a transfer of the contract to any party who shall be, in his opinion, less able and qualified than the original bidder or contractor. The right is also reserved to annul the contract for a failure to perform faithfully any of its stipulations.

Is stipulations.

The number of euvelopes issued to postmasters in the quarter ending March 31, 1857, is stated below:

8,741,250 * 2, * 0 * 0 * 0.

61,700 * 2, * 10 * 0 * 0.

The bids should be marked "Proposals for Stamped Envelopes," and addressed "Third Assistant Postmaster General, Post Office Department."

Proposals for Naval Supplies.

Bureau of Construction, Equipment, and Repairs.

May 23, 1857.

CEALED PROPOSALS to furnish naval supplies for the fiscal year ending 30th June, 1858, will be received at this lureau until 3 o'clock, p. m., of the 23d June next. These proposals must be endorsed "Proposals for Naval Supplies, Bureau of Construction, dc.," that they may be distinguished from other business latters. The materials and raticles embraced in the classes named are particularly described in printed schedules, any of which will be furnished to such as desire to offer, on application to the commandants of the respective yards, or to the navy-agent noarest thereto, and those of all the yards upon application to the lib bureau. This division into classes being for the convenience of dealers in each, such portions will be furnished as are actually required for lebs. The commandant and navy agent of each station will have a copy of the schedules of the other yards, for examination only, from which it may be judged whether it will be desirable to make application for them.

will be desirable to make application for them.

Offers must be made for the whole of a class at any yard upon one of the printed schedules, or in strict conformity therewith, or they will not be conditored.

All articles must be of the very best quality, conformable to sample, size, &c., to be delivered in good order, and in suitable vessels and packages, as the case may be, at the expense and risk of the contraction, and in all respects subject to the inspection, measurement, count, weight, &c., of the yard where received, and to the entire satisfaction of the commandant thereof.

Endors are referred to the yards for samples, and a particular description of the articles; and, all other things being equal, preference will be given to articles of American manufacture.

Every offer, as required by the law of 10th August, 1846, must be accompagied by a written guarantee, the form of which is herewith given.

Those only whose offers may be accepted will be notified, and the contract will be forwarded as soon thereafter as practicable, which they will be required to execute within ten days after its receipt at the post office or may agency named by them.

Sarreits in the full amount will be required to sign the contract, and their responsibility certified to by a United States district judge, United States district autorine, collector, or may-agent, as additional security, twenty per centum will be withheld from the amount of the bills until the contract shall have been completed; and eighty per centum of each bill, approved in triplicate by the commandant of the respective yards, will be paid by the navy-agent within thirty days after its presentation to him.

It is situalised in the contract that, if default be made by the parties of the first part in delivering all or any of the articles mentioned in any class bid for in this contract, of the quality and at the time and places above provided, then, and in that case, the contractor and his surveites will forfeit and pay to the United States a sum of money not exc

I, of the State of the respective navy yards, all the articles named in the classes hereunto annexed, agreeably to the provisions of the schedules therefor, and in conformity with the advertisement of the Bureau of Construction, &c., of the 23d of May, 1857. Should my offer be accepted, I request to be addressed at and the contract forwarded to the may agent at ______, or to ______, for signature and certificate.

(Date.)

Signature.

The schedule which the bidder encloses must be pasted to his offer, and each of them signed by him. Opposite each article in the schedule the price must be set, the amount carried out, the aggregate footed up for each class, and the amount likewise written in words.

The undersigned, , , of , in the State of , and , of , in the State of , and , of , in the State of , hereby guaranty that in ease the foregoing bid of for any of the classes therein named be accepted, that he or they will, within ten days after the receipt of the contract at the post office named, or navy-agent designated, execute the contract for the same, with good and sufficient sureties; and in case said—shall fail to enter into contract as aforesaid, we guaranty to make good the difference between the offer of the said—order the which may be executed.

OFFICE OF THE WASHINGTON AQUEDUCT, Washington, March 5, 1857. DROPOSALS are invited for materials and work

Maps, profiles, and specifications of the materials and work to be let will be ready for examination at this office on and after the 20th April next.

The work to be let will embrace masoury of some of the bridges, graduation, excavation, and embankment of reservoirs, iron pipes connected with the reservoirs, 12-inch iron main, gate houses, bricks, sand, rubble, and out stone, &c.

To the particular works and materials reference is made to the specifications and plans.

As upon a portion of the line the titles are not yet acquired by the United States, there may be some delay in commencing the work thereon; but for such unavoidable delays due allowance will be made in the time of completion.

Portions only of some of the works can be completed under the present appropriation; but all contracts for unfinished work will be subject to future appropriation by Congress. The engineer reserves the right to prescribe the amount of work to be done and rate of progress under each contract for each appropriation; and in case of the appropriation to holding out sufficiently, to decide when and what works shall be stopped until funds become available.

In case of the entire stoppage of any particular, work for want of funds, the reserved ten per cent, will be paid, if, in the judgment of the engineer, the work has been properly executed so far as it has gone.

Payments will be made in specie checks upon the United States

the engineer, the work has been properly executed so far as it has gone.

Payments will be made in specie checks upon the United States treasury upon the monthly estimates of the engineer, reserving 10 per cent; and it will be a coudition of all contracts that the workmen shall be paid their full wages monthly, and in specie.

All bids should be sealed, and endorsed "Proposals for work or materials on the Washington Aqueduct."

The United States reserves the right to reject any or all the bids should they not be deemed advantageous, and to make such arrangements as may be considered most conducive to the progress of the work.

Every ofter must be accompanied by a written guarantee, signed by one or more responsible persons, to the effect that he or they undertake that the bidder or bidders will, if his or their bid be accopted, enter into an obligation, within ten days, with good and sufficient securities, for the completion of the work undertaken; said guarantee to be accompanied by the certificate of the United States district autorney, havy agent, or some officer of the general government or individual known to the Engineer or Department of War, that the guarantees are able to make good their guarantee.

the general government of War, that the guaranters are none partment of War, that the guaranters are none partment of War, that the guarantee.

Bids will be opened in presence of bidders, if any of them choose to M. C. MEMCS,

Capt. of Engineers, in charge. FORM OF GUARANTEE.

I hereby certify that, to the best of my knowledge and belief, the bove-named guarantors are good and sufficient.
